The Children's Department Is going Orange - What is it?

The orange approach is about combining the two primary influences in a child's life, Church and Family, to help that child discover and develop a growing relationship with Jesus Christ. **ORANGE** is not curriculum; but, it is strategic steps that take each individual program, (*Sunday Morning, AWANA, Choir, Mission Education*), in the children's ministry and a partnership with parents to impact a child's spiritual life.

Parent and Home Resources:

Luke 2:52

FAITH: I can trust God no matter what

WISDOM: I can make the wise choice

FRIENDSHIP: I should treat others the way I want to be treated

October Virtue

Creativity: using your imagination to do something unique. **“For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.” *Ephesians 2:10, NIV***
